CULVER CITY, Calif., Nov. 13, 2026 (GLOBE NEWSWIRE) -- **Snail, Inc. (Nasdaq: SNAL) ("Snail Games" or the "Company")**, a leading global independent developer and publisher of interactive digital entertainment, today announced that four titles from its publishing portfolio will be featured with playable demos at an exclusive gaming showcase hosted by Noiz.gg during TwitchCon Weekend. The showcase will feature a mix of released and upcoming titles from Snail Games' indie branch, Wandering Wizard's publishing portfolio, including *Dead Party*, *Whispers of West Grove*, *Gobby Gang*, and *Veil of Madness*.

Dead Party is currently available on Steam, with a console release coming soon. *Whispers of West Grove*, *Gobby Gang*, and *Veil of Madness* are unreleased titles. The playable demos will offer attendees and creators an opportunity to get an early look at their upcoming gameplay through hands-on experiences, provide opportunities to generate organic gameplay content, and introduce new audiences to the Company's expanding indie publishing portfolio.

The four featured titles represent a range of gameplay experiences and content opportunities:

- ***Dead Party***: A four-player co-op action game where players defend their neighborhood against invading zombies using makeshift barricades, creative traps, powerful weapons, and rock music across multiple game modes.
- ***Whispers of West Grove***: A psychological horror adventure set in a nightmarish psychiatric hospital, where players solve intricate puzzles and uncover the secrets behind their increasingly disturbing surroundings.
- ***Gobby Gang***: A chaotic co-op treasure-hunting adventure where players team up to explore destructible underground caves, collect valuable loot, battle quirky creatures, and make a daring escape before their expedition goes sideways.
- ***Veil of Madness***: A first-person psychological horror deckbuilder where players venture into the fractured consciousness of a comatose patient, exploring surreal nightmare environments and battling manifestations of her subconscious through strategic card-based combat.
